

Women's Ministry Topics

Cynthia L Simmons

Be an Award-Winning Mom – People used to say ‘the hand that rocks the cradle rules the world.’ But today women face pressure to stay in the workplace. This class teaches the value of parenting and ways to mother effectively.

Dump the Devotions? A busy Woman's guide to Walking by Faith – It every Christian leader prescribes daily Bible quiet time and prayer. Is that possible? Do you ever struggle just to keep track of your family? This class will show you ways to stay close to our loving heavenly father even in the midst of chaotic family life.

But I'm exhausted: Self-Care for Women– Our microwave generation expects us to do more and to do it faster, but we all need downtime to restore our hearts and minds. In this class you will learn how to set priorities and take time to rest.

Live with Joy in an Topsy-Turvey World – The world around us appears to be declining fast, and it's easy for women to fear the future. In this class, Cynthia shows women ways to keep their joy alive and vibrant.

Who is this Alien in My House? Understanding Males – Every woman dreams of being married to her prince charming, but how do you live with that man? Cynthia shares insights from her own experience and from Scripture to help women understand the mystery of marriage and how God planned for men and women to work together.

Wow, Woman! Katie Luther on Proverbs 31 – In this class “Katie” the wife of the Reformer, Martin Luther, makes an appearance. You can learn a lot about history, and the Psalms while having fun.

How to Have a Hot Relationship with Your Husband - We see romance touted everywhere, however, love and romance belongs in marriage, not outside. This class can assist wives to put the 'hot' where it should be.
